**PAYMENT & CANCELLATION INFORMATION:**

We require a \$500 non-refundable deposit / application fee per person to confirm and guarantee your trip. This can be paid by Visa or MC, check drafted in US Dollars, or bank transfer and must accompany application forms at least 4 weeks prior to your trip. Payment in full must be made 2 weeks prior to the trip departure date.

If Skyline Adventures cancels a trip or course, you will be reimbursed 100% of your payment, including your deposit, excluding occurrences outlined in the Force Majeure section of this application. You will be alerted no less than 14 days from the departure date in the event that the trip or course is not going to run. If YOU cancel a trip or course 14 days or less from the set departure date, 50 % of your payment will be withheld by Skyline Adventures. If you cancel your trip within 1 week of the start date, we reserve the right to process payments in full with no reimbursement. In the event that a client leaves a trip early, there will be no refund. This includes, but is not limited to medical, behavioral, and motivational issues. Any expenditure associated with evacuations or medical treatment will be assumed by the client.

**FORCE MAJEURE:**

We regret that we cannot accept liability or pay compensation if we are forced to cancel, curtail or in any way change your trip or if the performance of our contractual obligations is prevented or affected by circumstances amounting to "Force Majeure". Such circumstances shall include, but are not limited to war, riot, civil strife, industrial dispute, terrorist activity, natural disaster, closure or congestion of airports, and similar events beyond SAS's control. SAS reserves the right in any circumstances to cancel your trip. In circumstances where SAS is unable to provide the trip booked due to "Force Majeure", we will return to you all monies paid, excluding half of the \$500 deposit (\$250). Very rarely, SAS may be forced to curtail a trip after the date of commencement should circumstances amounting to "Force Majeure", as defined above, occur. In this very unusual situation, SAS cannot make any refunds or be responsible for any costs or expenses incurred by you as a result.
